# Travel

---

## By Train

We are 20 minutes from Bristol Parkway and 15 minutes from Bristol Temple Meads train stations. Transport to Haberfield from Bristol Parkway is best by car, whilst from Temple Meads there are bus options. An Uber from Temple Meads would be £12 - £17 and from Parkway £18 - £25.

## Bus from Temple Meads Train Station

The X39 bus will take you from Bristol Temple Meads station to the Bristol Bus Station, from where the X3 and X4 buses run.

X3 runs every 10 – 30 minutes to the stop named Martcombe Filling Station (23 – 30 minute journey time). Get off, turn back on yourself, walk for 1 minute (100 yards) and turn right into what looks like a lay-by. Haberfield Hall is directly in front of you through black gates, with a red post box on the right hand entrance column.

X4 runs every 20 - 30 minutes to the stop named Blackmoor Road (23 – 30 minute journey time). Get off and walk for 8 minutes (0.4 miles) along the A369 away from the direction you have come from. Turn left into Happerton Lane, which looks like a lay-by and Haberfield Hall is directly in front of you through black gates, with a red post box on the right hand entrance column.

## By Coach

The Megabus is a fabulously affordable (£5 - £9) three hour journey from London into Bond Street, Bristol, a 7 minute walk from the central Bus Station, from which the X3 and X4 buses depart (see below).

## Bus from Bond Street Coach Drop Off Point

Bristol Bus Station is a 7 minute walk from the Bond Street Megabus drop-off point. From here, the X3 runs every 20 – 30 minutes to the stop named Martcombe Filling Station (23 – 30 minute journey time). Get off, turn back on yourself, walk for 1 minute (100 yards) and turn right into what looks like a lay-by. Haberfield Hall is directly in front of you through black gates, with a red post box on the right hand entrance column.

## By Road

We are 1.5 miles from junction 19 of the M5 motorway and 2.5 miles from Clifton Suspension Bridge.

# Directions

---

## From Bristol

Come over the Clifton Suspension Bridge and turn right at the traffic lights onto the A369, in the direction of the M5 and Portishead. Drive for 2.5 miles and after you see the turning for Pill and Ham Green, stay on the main road but note that you drop down into a dip. As you rise out of the dip, take the left turn into Happerton Lane - it looks like a lay-by. The house is immediately on your left. If you pass a small petrol station,

Martcombe Filling Station, on your left, you have gone too far.

## From the M5

Turn off the M5 at junction 19 for Portbury. Take the A369 into Bristol and Clifton and drive for 1.5miles. After passing a small petrol station, Martcombe Filling Station, on your right, take the next right into Happerton Lane - it looks like a lay-by. The house is immediately in front of you, the left hand entrance of the two that face you.

## Parking

There is plenty of off street parking at the house.
